

Sensory-Friendly Saturday's

1

Today I am going to the Marion Theatre to see a movie!

2

The street can be very busy. I must stay on the sidewalk and walk, not run, and stay with an adult at all times.

3 When we arrive, we purchase tickets at the window. We may stand in line, but it will move quickly.

4 When we go inside, we're in the lobby. I can see bathrooms and the concession stand.

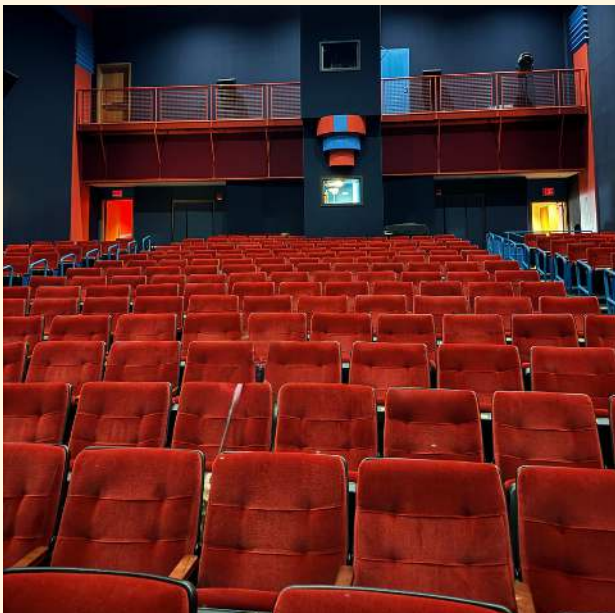

5

At the concession stand, I can order yummy snacks and drinks by using the picture menu.

6

When we go into the theatre, it is dark and see the big screen.

7

We pick our seats and wait for the movie to start.

8 During the movie, I can get up and take a break in the lobby or on the benches out front.

9 When I'm ready, I can come back and finish the movie.

10 Going to the Marion Theatre is so much fun! I can't wait to go back.
