Scholarships

Full Year Conservatory Scholarship: (\$1800)

This is a full year (3 semester) tuition scholarship and instrument stipend. Funds from this scholarship are applied to a full year of any class, and included instrument stipend will be applied to the cost of obtaining an approved musical instrument.

Partial Year Conservatory Scholarship: (\$600)

This is a four month (1 semester) tuition scholarship and instrument stipend. Funds from this scholarship are applied to a single semester of any class, and included instrument stipend will be applied to the cost of obtaining an approved musical instrument.

Partial Year Tuition Scholarship: (\$450)

This is a four month (1 semester) tuition scholarship that students can apply to any class.

Instrument Scholarship Fund: (Amount up to you)

This scholarship fund is used on a case-by-case basis for students in need of financial assistance in obtaining a musical instrument of suitable quality, for use in any class in which they are enrolled.

General Programing: (Amount up to you)

This scholarship fund is used to support additional costs within the Conservatory. Costs may include: piano tuning, instrument and equipment maintenance, purchase of teaching materials and curriculum, purchase of classroom furniture such as children's chairs and music stands, purchase of instruments used for ensemble and group teaching, funding for educational outreach, funding for philanthropic endeavors, and more.
